About the Fifth Maine Museum

Come to the Fifth Maine Museum for spectacular views, cool ocean breezes and our seaside garden. Built in 1888 by the veterans of the Fifth Maine Volunteer Regiment as a memorial and reunion hall, the building is now a museum of Peaks Island and Fifth Maine Regiment history. Ongoing restoration work has brought the building back to its former glory. This architectural gem is now on the National Register of Historic Places.

Fifth Maine Museum ART WALK

Sunday
August 14, 2022
10am – 3pm

www.fifthmainemuseum.org
